

*When a stranger sojourns with you in your land, you shall not do him wrong.
 You shall treat the stranger who sojourns with you as the native among you, and you shall love him as yourself, for
 you were strangers in the land of Egypt:
 I am the LORD your God.
Leviticus 19:33-34*

Mosaic City church and York Alliance church are taking steps to care for the sojourner among us by assisting a group of Haitian refugees who are currently living in York County. There is great need among some sixty or more families who find themselves living in sub-standard housing with little food or money, with barriers in English language communication, and with no one to assist them.

The Mosaic and York Alliance church families are invited to play a role in helping these overlooked people by participating in two ways:

English as a Second Language Class (ESL) – Deb Detzel, the New American Welcome Center Coordinator in York, is looking for volunteers to acts as helpers. No skill or commitment level is required. Daytime and evening classes are currently happening. Text Deb at 717.819.0180.
